Americold Announces ISO 9001 Certification at Five Additional Facilities

ATLANTA, Georgia (November 24, 2010) – Americold today announced the ISO 9001 certification of its Atlanta, Georgia (Westgate), Nampa, Idaho, Albertville, Alabama, Gadsden, Alabama, and Rochelle, Illinois facilities, bringing the total number of Americold facilities certified to nineteen.

Based in Atlanta, Georgia, Americold is the global leader in temperature-controlled warehousing and logistics with the largest network in the United States. The Company owns and operates specialized, cold storage warehouse properties in key distribution and regional centers throughout the US. Americold's warehouses are an integral part of the supply chain linking food producers, distributors, and retailers who store products in temperature-controlled warehouses for frozen and perishable food products.

Americold delivers superior service, storing over 40 billion pounds of temperature-controlled product per year, and offers unparalleled experience in warehousing and transportation for the food industry.
